

SWIT♥HEART

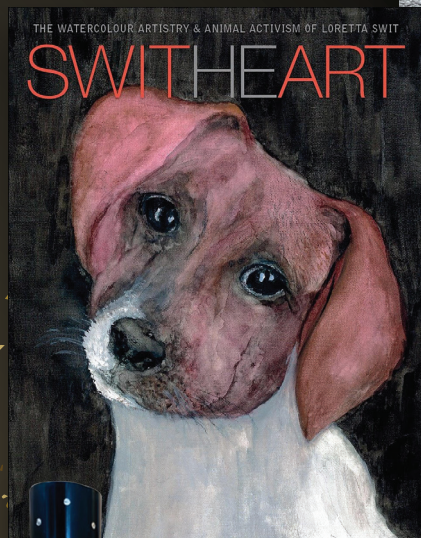

TO BENEFIT ANIMALS & OUR HUMANE ALLIANCES

Swit♥Hearts

My birthstone, a Topaz, heart-shaped, sits firmly 'centerstage' on a 14k gold chain, ready and waiting to become the color of YOUR birthstone --- as in the color of Garnet, Amethyst, Emerald, Ruby... or the color of your own birthstone, dear gender-sister!

Swit♥Heart Ring

Holding hands open to reveal and offer the loving heart within. Heartwarming in either gold or silver...

Swit♥Heart Perfume

A delicious fragrance in a collectible heart-shaped bottle which sports a convenient slide applicator à la the rollerball.

Swit♥Artbook

I wanted my passion for painting to embrace my passion for all sentient beings. The 65 watercolors range from exotic cats, domestic cats, farm animals, military dogs, animal companions from Siamese to Pekingese, Search/Rescue teams, guide dogs, guard dogs, service dogs... we love them all.

From The Heart

Award-winning actress, activist, artist, icon --- Loretta Swit seems inexhaustible as she continues to transform her passions into creative ways to help reach her goals. Among her many roles in life, her advocacy for animals led her to create her charity: The Swit♥Heart Animal Alliance, with a mission to end animal suffering and cruelty.

Through her iconic status and talents, she has effectively utilized her platform to save and improve the lives of countless of animals. She hopes to aid and support animals and the alliances of her charity with donations, fund-raisers, Swit♥Heart perfume, the Swit♥Artbooks and the recently launched Swit♥Jewelry collection.

When asked about the positive energy that propels her forward, she lauds a Bruce Lee

philosophy: "There are no limits; there are only plateaus, but you must not stay there. You must go beyond them."

Eager to share her Heart with her friends, her fans and the global "M*A*S*H family" she hopes that you follow her on Social Media and welcomes you to her website with an open "Swit♥Heart."
